I've got this fuck buddy Johnny. He's a little older than I am but I don't care. He really looks after himself and damn does he look good! We hook up all the time and he always fucks me real good. The best part about doing the nasty with a Johnny is that he's not selfish. He's really into getting me off - he says it turns him on - so when we have sex, it's like all about me.

You know what? I love my body. Some of the guys I dated tease me about the size of my boobs but I always tell them to go take a flying fuck. They may not be huge but they are crazy sensitive and when I pinch my nips I get wet down below. I'm happy with what I have, thank you very much! I'm really great at making myself feel good.

TAKE YOUR PICK. THEY'RE BOTH TIGHT

I get constant attention from all the boys. Even the ones that are married will stop and stare at me when I walk down the street. Sorry ladies, it's not my fault. My body is so smokin' that I love to show it off. Sometimes I tear all my clothes off in the middle of the day for no reason! I get a tingling taking over and I know that I just gotta get naked no matter what.

Tommie

I just love dressing a little wild. From shiny silver vinyl bras and fish nets, these are the things that make me feel like a sexy woman. When I was younger, I loved the torn jeans and belly shirts, but my tastes have changed as I got older. The great thing is the way I can still look fucking hot in both. Today it's the fishnets and I know you'll like seeing them get torn so my pussy can get fucked!

Roseanne you're worth the wait

I was seeing her every day but never getting more than just a kiss or two. She told me she couldn't wait for us to get some time alone this summer. It was absolute torture. Our junior year at the college ended and summer break finally came. We agreed to not rush things and wait until we had some time together. We didn't have to wait long. I'm now thirty-five and Roseanne is now my wife. This story is for all you men who have loved and lost and were able to find love again.

So, my parents decided to go see some old college friends in Nashville. That means I had the house to myself for the month that they'd be gone. I promised them no parties and I intended to stick to it. When I told Roseanne, she freaked at the news knowing full well what was going to happen. Both of our parents knew that she would be over at our place most of the time. We had been together in high school and now three years into college we are even closer. Yes, they were right.

I drove my folks to the airport and saw them off. They reminded me to be good and I reassured them as best I could. When I drove back home, I stopped by and picked up my girl and we went back to watch some movies on the TV. We went in the house and I put a movie on. A movie we would not end up watching. Within a minute, Roseanne practically pounced on to me nearly knocking me off the couch. I regrouped and said we should really go to the bedroom instead of messing up the sofa.

We practically ran to my room, removing our clothes on the way there. By the time we reached the bed we were both naked, and even though having seen her naked before, I was once again mesmerized by her beauty. This time though I decided to take over and quickly grabbed her and lay her down on the bed. This surprised her but I could also see she liked it. I gave her a quick kiss on the lips, then started kissing down her body, stopping at her nipples to suck them one at a time. I threw in an occasional soft bite which caused her to wince and moan which just encouraged me.

After a few minutes of alternating between her nipples, I continued to kiss down her body until I finally reached her pubes and on to her pussy which was soaking wet by this point. I traced my fingers around her labia, teasing them and her slit, occasionally tipping a finger into it. Wanting to please my lady, I slowly inserted a finger all the way in. It went in pretty easily because by now she was quite wet. I wasted no time thrusting my fingers in and out of her pussy. I continued doing it until she seemed to really get into it, moaning louder and louder.

Then I took more initiative to try pleasure her more, I inserted one more finger, then another. Each time she would moan louder but I felt I wasn't giving her enough. I pulled out my finger and licked it and as it turns out, it didn't taste bad. In fact, it had an interesting taste I couldn't explain.

I leaned closer to her pussy and licked up and down the slit. This sent shivers through up and down her body and she froze for a mo-

ment. I'm thinking she must have had a mini orgasm. And so I stuck my tongue as deep into her as far as I could and tasted her insides. I started pushing my tongue in and out and occasionally coming up for air. Going back down, I focused my tongue more on her swollen clit and gave it a bit of sexy tongue-lashing. I could instantly tell that she loved it and it pleased her immensely. This brought her to an intense orgasm, her legs locked around my head and she screamed my name out very, very loud.

Her juices came gushing into my mouth and I took as best I could. I wasn't used to having my face flooded with lady cum. When her orgasm finally passed, she let me go and I lay besides her waiting for her to fully calm down. Minutes later she finally stopped breathing heavily and looked down at me with a satisfied look.

"My turn." she said and began slowly teasing just like I did her, slowly rubbing my cock head. Then, ever so lightly sliding them down the shaft and giggled. She definitely knew how to tease. Now every time my cock slid through her hands, she would stick her tongue out and lick the tip. This caused both pleasure and frustration as I was happy to have her tongue on my cock but want-

ed it in her mouth and deep down her throat. She finally grabbed me by the base and began to lick and slap her tongue against my balls. The whole time she kept her eyes looking up at me occasionally she would back off and give me a seductive smile. This girl knew how to work a cock! Then she slowly brought her tongue up and licked

from the base to the tip sending shivers throughout my body. I had enough off this teasing, I couldn't take it anymore.

She engulfed the head of my cock into her mouth swirling her tongue around the tip. I placed

my hand on her head and gently brushed some hair out of her face as she worked more and more of my cock into her warm moist mouth. Roseanne ran her tongue all over it while applying just the right amount of suction and stroking what part of it wasn't in yet. I soon felt the entrance of her throat

as she kept taking more of my swollen cock. Still being a tease, she would start to slide part of the tip into her throat before pulling back and then doing it again. Oh, yeah, she was good.

I reached down and slid my hand to her chest to feel those amaz-

ing boobs she had. This got what I could make out as a smile as she still had my cock in her mouth. Then, Roseanne, with her free hand grabbed my balls and squeezed slightly giving a nice felling combined with giving me head. She then slid my cock out her mouth and began stroking me as she sucked my balls. She revisits my throbbing cock and wraps her smooth fingers around it and went to work again keeping one hand on my balls and rolling them around in it..

I closed my eyes to enjoy the feel of her firmness around of my cock, then opened them to the sexiest sight ever. My girlfriend was looking straight into my eyes as my cock was slowly being sucked deeper and deeper into her mouth. The feeling was beyond words and when she stared twirling her tongue around it, I knew I wouldn't last too long before I shot.

And I didn't. I couldn't stop myself because I was well past my limit and erupted into her mouth – hard. She sucked and sucked and I could feel her try to swallow everything, but some sipped out the corner of her mouth, which I found to be extremely hot. Finally I finished unloading into her mouth and she licked up everything. All

I could say was 'Damn girl!' She told me she liked the taste of it and wanted more. She was staring at my still hard cock with a grin. I started to get up to get on top of her but she stopped me. She told me she wanted on top and I was only too happy to oblige. "I want to feel your hard cock deep inside me!" she whispered.

And with that, she lowered herself slowly onto me and my cock head went in with ease. She slid up and down on my cock with her hands on my chest for support. This felt so good that I couldn't help but groan out loud. Eventually, she slowed down and sat on my rigid cock so that was all the way inside her, and her eyes were wide open with a look of pure satisfaction. Roseanne ground down hard on my cock and then started to move her hips up and down the full length of it, moaning louder and louder every time she did.

I couldn't help but start thrusting upwards to meet hers until we worked up a rhythm which we kept to a pace that increased until we were practically bouncing off the bed. It wasn't long before I felt her pussy squeeze my cock and that sent me over the edge and I unleashed a huge load deep inside her. I coated her insides with my cum and she must have been feeling it all because she went wild screaming out. When we were both done cumming we both just collapsed on the bed and a closed our eyes and both fell asleep.

Now, many years later, I watch her in her sleep and she still has the beautiful youthful face as when she did in my story. While it took a few years to reconnect, it was worth every minute we were apart.

Kristen

These days, my favorite toy to play with is a super fancy looking glass dick that my best friend gave me. I giggled right along with her when I opened it. It felt as good as it looked. It's been tucked away snug and safe ever since - either in my purse or in my puss! If I'm at a party, I like to find myself someplace private where I can go and grind on my glass wand and for a while.

John said he'd take me around the world. At first I would like layoff, but he was persistent and truth be told, I was feeling a little bit horny. So I told him I only have time for a quickie and he agreed to a fuck with no time wasting no fancy stuff. I used my mouth to get him hard and hopped right on. I rode him and was inching my finger into my ass and that's when I first came.
